

Quality of Education

Intent

‘Leaders adopt or construct a curriculum that is **ambitious** and designed to give all pupils...the **knowledge and cultural capital** they need to succeed in life.’

Implementation

‘Teachers create an environment that allows pupils to **focus on learning**. The teaching materials teachers select – in a way that does not create unnecessary workload for staff – reflect the school’s **ambitious intentions** for the course of study and clearly **support the intent of a coherently planned curriculum**, sequenced towards cumulatively sufficient knowledge and skills for future learning and employment.’

Impact

‘Pupils develop detailed knowledge and **skills across the curriculum** and, as a result, achieve well.’
